# THE BARN

KRONE

MOUNTAIN FOOD EXPERIENCE

---

Our barn is an exclusive location where you can organise private dinners to celebrate anniversaries, corporate events or just to spend a pleasant evening in the company of your friends.

The name of our private room comes from its use in the past. In fact, despite the renovation, the characteristic elements of its primary 'nature' are still present.

Let yourself be captivated by the charming and intimate atmosphere that will accompany you during your evening where you will be pampered by the Krone staff.
